Life Situation: *(Example)*

For several weeks strange sounds had drifted over the mountains from the neighboring valley. Finally one of the young men of the village was chosen to cross the mountains and see what was going on. As he drew closer, he saw a line of people, each with a huge stone in front of them that they were hammering and chiseling. When he finally reached the valley floor he approached a young man at one end and asked, "What are you doing?"
